- 5.5 RCG may deliver the Works by separate instalments. Each separate instalment shall be invoiced and paid in accordance with the provisions in these terms and conditions.
- 5.6 The Client shall take delivery of the Materials tendered notwithstanding that the quantity so delivered shall be either greater or lesser than the quantity purchased provided that:

6. Risk

- 6.1 If RCG retains ownership of the Materials under clause 10 then:
- (a) where RCG is supplying Materials only, all risk for the Materials shall immediately pass to the Client on delivery and the Client must insure the Materials on or before delivery. Delivery of the Materials shall be deemed to have taken place immediately at the time that either:
 - (i) the Client or the Client's nominated carrier takes possession of the Materials at RCG's address; or
 - (ii) the Materials are delivered by RCG or RCG's nominated carrier to the Client's nominated delivery address (even if the Client is not present at the address).
 - (b) where RCG is to both supply and install Materials then RCG shall maintain a contract works insurance policy until the Works are completed. Upon completion of the Works all risk for the Works shall immediately pass to the Client.
- 6.2 Notwithstanding the provisions of clause 6.1 if the Client specifically requests RCG to leave Materials outside RCG's premises for collection or to deliver the Materials to an unattended location then such materials shall always be left at sole risk of the Client and it shall be the Client's responsibility to ensure the Materials are insured adequately or at all. In the event that such Materials are lost, damaged or destroyed then replacement of the Materials shall be at the Client's expense.
- 6.3 The Client acknowledges that Materials supplied may exhibit variations in shade, colour, texture, surface and finish, and may fade or change colour over time. RCG will make every effort to match batches of product supplied in order to minimise such variations but shall not be liable in any way whatsoever where such variations occur.
- 6.4 The Client acknowledges that Materials supplied may:
- (a) fade or change colour over time; and
 - (b) expand, contract or distort as a result of exposure to heat, cold, weather; and
 - (c) mark or stain if exposed to certain substances; and
 - (d) be damaged or disfigured by impact or scratching.

In the event that the surface is deemed unsuitable, then RCG reserves the right to halt the Works until such time as it is agreed between RCG and the Client as to the additional cost in further preparation of the surface in order to make it fit for waterproofing. The additional cost shall be charged as a variation to the quotation as per clause 4.2.
- 6.6 RCG shall not be held responsible for any damage to the Works caused by outside agents. Where the Client requests RCG to repair such damage then RCG reserves the right to charge the Client for any costs incurred in rectifying such damage.
- 6.7 The Client acknowledges that RCG is only responsible for Materials that are replaced by RCG and does not at any stage accept any liability in respect of previous or subsequent services and/or goods supplied by any other third party that subsequently fail and found to be the source of the failure, the Client agrees to indemnify RCG against any loss or damage to the Materials, or caused by the Materials, or any part thereof howsoever arising.

7. Further leaks subsequent to completion of Works and resultant damage

- 7.1 All repairs stated in the quotation will rectify all defects causing leaks that RCG identifies in its inspection. Although it is unlikely, there is the possibility that additional unforeseen defects may be contributing to these defects. In this case, the resolution of the leak can only occur after a process of elimination, as the leak can be entering through multiple entry points.
- 7.2 RCG does not take responsibility for any damage whatsoever which occurs due to additional water leaks not identified in the quotation. The Client understand that water leak detection is an extremely difficult undertaking and in this regard, RCG is experienced and will do its best, however it is not always possible to guarantee that a future leak will not occur. In some cases, upon completion of the Works, RCG is able to provide a written guarantee that the repaired area will not leak in the future.
- 7.3 If the leak has been identified as an additional defect (due to there being multiple entry points), then the additional works will be quoted and submitted for the Client's approval.
- 7.4 RCG does not take responsibility for any internal damage to your property or contents caused by water ingress either before or after our roof repairs & roof inspections are complete. Our recommended roof repairs are based on our industry experience & result from a process of elimination. On some occasions additional staged works may be required to resolve the leak. We recommend waiting until the area has been well tested through multiple different style rain events to be sure it no longer leaks before you arrange to repair the internal damage. Any home contents that you do not want damaged should be moved away from the affected area.

8. Client Responsibilities

- 8.1 It is the intention of RCG and agreed by the Client that it is the responsibility of the Client to:
- (a) ensure that any surface requiring waterproofing is suitable for the purpose. In the event that the Client requests RCG to prepare the surface for waterproofing, then at RCG's sole discretion a fee shall be charged for the Works, and shall become immediately due and payable.
